@everyone Hi everyone, here is the current list of entries for the Christmas in July tournament next weekend. Please check to ensure your name is on the list, and let me know ASAP if it is not. We are also looking for a few more entries to balance the grades. Cheers, Alastair and Lynes

scrabliz 7:37 PM **@everyone** Nigel wins again in French world champs So, another year, another 355 consecutive perfect plays IN FRENCH for Nigel as he wins Elite, Blitz, and Pairs (with Herve Bohbot) in duplicate, as well as classique. He won every event he entered except the défi mondial, which is an elimination duplicate game with progressively shortening time controls - he was eliminated for not finishing writing his answer when the bell signalling time up went. Next for Nigel is North American champs in the TWL division then to Ontario to play in the CSW division - that's 3 dictionaries in just over 4 weeks!
