<b>APPENDIX</b>	<b>TOURNAMENT SOFTWARE</b>
-----------------	----------------------------

There are several ways to get help for setting up draws and scoring software. The following table shows the available software in common use in New Zealand, the key features and how to access it.

Software	Key features	How to access
Steven Brown's draw and scoring program for Macintosh computers	<ul style="list-style-type: none"> <li>• Integrated program for doing draw and scoring.</li> <li>• Player list needs to be entered and then computer works out draw and generates screens for entering scores based on the draw.</li> <li>• Calculates balanced starts if required.</li> <li>• Scores for each game are entered only once.</li> <li>• Prints draw and results.</li> <li>• Doesn't currently handle Swiss draw formats.</li> <li>• Program is freely available to NZASP clubs.</li> </ul>	Contact Steven well in advance of the tournament. Ensure Macintosh computer and compatible printer is available.
Murray Landon's draw and scoring program for PCs.	<ul style="list-style-type: none"> <li>• Integrated program for doing draw and scoring.</li> <li>• Player list needs to be entered and then computer works out draw and generates screens for entering scores based on the draw.</li> <li>• Calculates balanced starts if required.</li> <li>• Scores for each game are entered only once.</li> <li>• Prints draw and results.</li> <li>• Doesn't currently handle Swiss draw formats.</li> <li>• A license fee applies for each use of the program (\$50 per use as at March 2013).</li> </ul>	Contact Murray. You will need to install the required files on your PC and follow instructions for setting up the draw and scoring.
